**The University Mace and Batons**

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who serve as the marshals. The mace is carried by the chief marshal, who is the current chair of the Campus Faculty.

**Marshals' Gowns**

The gowns worn by the marshals are of the traditional University color, cardinal red.

**Honor Stoles**

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (cum laude) and white represents High Honors (magna cum laude). White stoles with cardinal and white cords represent Highest Honors (summa cum laude).

**Academic Regalia**

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

## **The University Song**

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

### **Alma Mater**

Pure as the dawn on the brow of thy beauty  
Watches thy soul from the mountains of God  
Over the Fates of thy children departed  
Far from the land where their footsteps have trod.  
Beacon of Hope in the ways dreary lighted;  
Pride of our hearts that are loyal and true;  
From those who adore unto one who adores us—  
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward  
Proud of our place in the vanguard of Truth,  
Will sing unto thee a new song of thanksgiving—  
Honor to God and the Springtime of Youth.  
Shout for the victory or tear for the vanquished;  
Sunshine or tempest thy heart is e'er true;  
Pride of the hills and the white-laden Lowlands—  
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,  
Even the Battle in Cities afar;  
Still in the depth will thy Spirit eternal  
Beckon us on like a piloting Star.  
Down the dim years do thy dead children call thee,  
Wafted to sleep while the Springtime was new;  
We, of the Present, thy Hope of the Future—  
Mother of Mothers, we pray unto you.

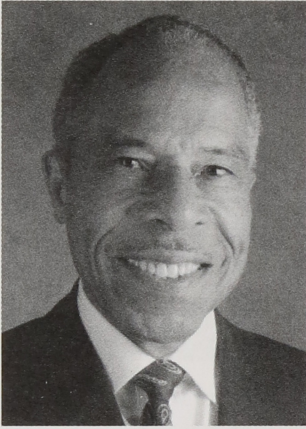

### **The University Seal**

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

# HONORARY DEGREE RECIPIENT

## GEORGE WILLIFORD BOYCE HALEY

Attorney, former U.S. Ambassador to Gambia, Civil Rights Activist

George Haley exemplifies courage, patience and perseverance, and these qualities have served to make him an influential politician, attorney and civil rights activists.

Haley was raised in Pine Bluff, Ark., where his father, Simon Haley, served as dean of agriculture and taught at Arkansas AM&N College, which is now the University of Arkansas at Pine Bluff.

Haley graduated from Morehouse College in Atlanta one year behind Martin Luther King, Jr. He then became the second black student to

graduate from the University of Arkansas Law School in 1952. He was named to the school's Law Review staff and wrote an award-winning article for the journal. He graduated from law school feeling he had brought about a greater understanding between races through a cooperative, not confrontational, approach.

After graduation, Haley joined a law firm in Kansas City and became involved in politics, serving as deputy city attorney and Republican state senator.

During his time at the U of A and thereafter, Haley worked to remove the divisions of race in this country. He has been a persistent and courageous civil rights worker, participating in sit-ins, marches and freedom bus rides.

Haley has served in national administrations since 1969, serving under Nixon, Ford, Carter, Reagan, Bush and Clinton. His government posts included chief counsel of the Federal Transit Administration from 1969 to 1973 and general counsel and congressional liaison of the U.S. Information Agency (USIA), now part of the State Department, from 1976 to 1977. In 1990, President George Bush appointed Haley chairman of the Postal Rate Commission.

President William J. Clinton appointed Haley as U.S. envoy to The Gambia from September 1998 to July 2000. This represented a homecoming of sorts for Haley, who is the great-great-great-great grandson of Kunta Kinte, whose story from his 1767 capture by slave traders in Gambia is re-told in the late Alex Haley's Pulitzer Prize-winning novel "Roots." Alex and George Haley were brothers.

Throughout his life, Haley has worked to improve race relations in a subtle way.

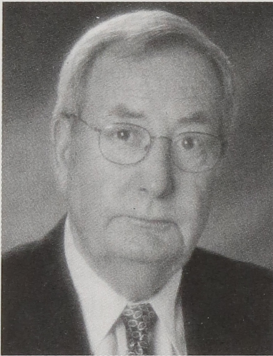

"I don't deal with hostilities," he said. "They are things that exist. My feeling is right now that I want to use my life, where I am now, to make things better for myself and all people."

## FRED W. SMITH

Chairman of the Board of the Donald W. Reynolds Foundation.

Former Chairman, President and Chief Executive Officer of the Donrey Media Group.

Fred W. Smith was born in Arkoma, Oklahoma just outside of Fort Smith, Arkansas in 1934. He attended Westark Community College, which today is the University of Arkansas – Fort Smith. He started his communications career in 1951 as an advertising salesman at the Southwest Times-Record in Fort Smith. He worked in various positions at the Southwest Times-Record, including stints as the classified advertising manager, national advertising

manager and assistant general manager, before he was promoted to the position of general manager for the Las Vegas Review-Journal (Nevada) in 1961.

In 1966, he became vice president of the western newspaper division of Donrey, Donald W. Reynolds' multi-media enterprise. He became executive vice president and chief operating officer of Donrey in 1973. In 1987, he became president of the Donrey Media Group, which under his leadership owned and operated daily newspapers, cable companies, outdoor billboard companies, television and radio stations in over 23 states. Everyday the news generated at Donrey properties touched the lives of eight million people. In 1990, Smith became the chairman and chief executive officer of the company.

During his career, Smith spent 43 years with Mr. Reynolds planning, strategizing and implementing the development of the Donrey Media Group. Smith was often credited as the key to helping Mr. Reynolds build his media empire.

Although Reynolds established the Donald W. Reynolds Foundation in 1954, the Foundation was thrust onto the national scene as one of the 30 largest foundations in the nation after Mr. Reynolds' death in 1993. Reynolds left no written instructions regarding the future of the Foundation's giving programs, but entrusted Smith to develop plans that would appropriately and consistently meet Reynolds' lifetime ideals and philosophy. Smith retired from Donrey in 1996 and

became chairman of the Donald W. Reynolds Foundation. Under Smith's leadership, the Donald W. Reynolds Foundation has already awarded over \$600 million in grants in less than 10 years.

Fortunately for Arkansas, the Board of Trustees felt that part of Reynolds' vast wealth should be awarded in the states where his largest holdings were located. These were in the states of Arkansas, Oklahoma and Nevada.

To date over \$219 million has been awarded in the state of Arkansas alone. These grants have funded the construction of facilities at 11 different universities, including the Donald W. Reynolds Center for Enterprise Development on the University of Arkansas campus. In addition, the Foundation has funded camps for 4-H, the Arkansas Sheriffs' Youth Ranches, the Boy Scouts of America, a pediatric intensive care unit and the Donald W. Reynolds Center on Aging in Little Rock. But most have heard about the Foundation at the University of Arkansas because of the Foundation's gift to the University in 1999, funding the renovation and expansion of the University's football stadium now named after Mr. Reynolds.

In addition, the Foundation funds two national initiatives, one promoting cardiovascular clinical research and the other concerning aging and quality of life. The Cardiovascular Clinical Research Program has built a nationwide network of research centers that translate basic research in heart disease from the bench to the bedside looking for a cure for atherosclerotic heart disease. The Aging and Quality of Life Program is focused on training doctors in the art of diagnosing and treating the frail elderly.

In 2001, the Foundation also awarded a grant of \$15 million to the Mount Vernon Ladies' Association. This gift will build an educational center at Washington's Mount Vernon Estate. Also in 2001, the Board approved a \$30 million gift to the Smithsonian's National Portrait Gallery to purchase for America the Lansdowne portrait of George Washington. Currently the portrait is on an eight city national tour, also funded by the Foundation.

The Foundation continues to support the industry where Reynolds made his wealth, in the fields of communications. Just this year the Foundation provided \$3 million to fund a series of national business journalism workshops with the American Press Institute and in 2000 provided \$5 million to fund programs at the Donald W. Reynolds School of Journalism and Center for Advanced Media Studies at the University of Nevada, Reno.

Upon completing his doctoral course work Dr. Redwine began a long, distinguished career in Dallas, Texas. He spent 30 years as principal, primarily in elementary schools. He briefly accepted a position at Texas Woman's University in Denton, Texas, but found he preferred being a principal. After a year of teaching college education courses, he returned to the job he loved, this time at the junior high level. Dr. Redwine is a member of several professional organizations and served as president of the Dallas School Administrators during his career.

His wife is the former Lillian George of Springdale, Ark. The couple married on April 7, 1946. Dr. Redwine retired in 1983 and he and his wife returned to Fayetteville, where they reside today. A World War II veteran, Dr. Redwine served in the U.S. Navy from 1942-1945 first at NASTC Great Lakes and then aboard a troop transport in the Pacific theater.
